you to take the lead and give us what we need to fol-low Christ Show us the way show us the

truth show us the vis-ions of our youth so that temp - ta-tions of the world won't have their say

Show us the joy we can re - ceive show us a faith we can be - lieve that gives our blind-ness

sight, that makes a wrong world right, and brings us through the night Show us the way.

Life can be hard we need a help-ing hand and

light Tell us our fu-ture will be bright and that the prom-ise of our God is here to - day

Show us the joy we can re - ceive show us a faith we can be - lieve that gives our blind-ness

sight, that makes a wrong world right, and brings us through the night Show us the way.
